Doug Winter, Chairman, USSEC

A view of participants along with USSEC Chairman Doug Winter and the Speakers in the two days Aqua Tech Talks, Nutrition Workshop held in Hyderabad, India on February 21 & 22, 2023.

Objectives of USSEC are centered around three main pillars of their strategic plan:

- 1) To differentiate the quality and value of U.S. Soy from other nutrition and energy products.
- 2) To elevate preference for U.S. Soy in existing and developing global markets.
- 3) To attain market access for U.S. Soy through cooperation with a variety of global stakeholders.

We, USSEC, strive to do this by delivering world-class performance, acting responsibly, fostering our diversity and trusting in our team. One of our guiding principles is listening to our customers and advocating their needs to the industry, said Mr Doug Winter, Chairman, USSEC Board in an interview to M.A. Nazeer, Editor, Poultry Fortune.

Aviagen India's Venkatesh Gunasekaran Strengthens Global Nutrition Team with Expertise, Passion and Commitment

Udumalpet: Aviagen India is pleased to announce that Venkatesh Gunasekaran, Technical Manager for Aviagen India since 2020, has been appointed to Aviagen's Global Nutrition Team. This team is dedicated to promoting bird welfare, sustainability and performance through optimal nutrition. In this new role, he will share the latest nutrition advice with customers across India, as well as with his colleagues at Aviagen India.

"Good nourishment from the start of a bird's life is vital. I am excited to join the Global Nutrition team, as this role will allow me to make a difference by helping to continually improve the health and robustness of both our internal flocks and the birds we provide to poultry producers," commented Venkatesh.

Marc Scott, Business Manager for Aviagen India, added that this appointment is a recognition of the considerable talent within the India team. "Aviagen India realizes that to breed the best, we need the best and we therefore seek to expand our operations

Venkatesh Gunasekaran

with the industry's most insightful, bright and passionate poultry professionals. With his background and insight, Venkatesh will greatly benefit our customers, as well as our internal teams in their efforts to strengthen the poultry industry throughout the country." Venkatesh will report directly to Marcelo Silva, Aviagen's Global Head of Nutrition Services.

"We welcome Venkatesh to the Global Nutrition team. He will be a valuable asset to our team as we work to enhance bird health, welfare and sustainability through good nutrition. Through this mission, we promote the economic sustainability of our customers and their ability to feed the world," concluded Marcelo.
